

Northern Sydney
Health Promoting Schools

Seeding Grants 2011

Schools in Northern Sydney are invited to apply for a Health Promoting Schools Seeding Grant of up to \$1500

Your school is eligible to apply if your project:

- Uses a *whole of school* approach
- Addresses one of 5 health categories

Health Categories:

1. Physical Activity
2. Social and Emotional Health
3. Healthy Eating
4. Connecting with Parents
5. Other health issues important to your school

New for 2011:
Eligibility to add a new aspect to an existing program & the grant amount has increased!

Health, Education and Parent Associations are working together on this initiative to improve the health of school communities.

SRC and P&C are encouraged to apply.
