University of Newcastle Senior Lecturer Nick Riley will be presenting a practical workshop on his research into getting students active within the curriculum. The workshop will be full of useful information and tips on how you can make your classroom an active classroom.

Learn

- Learn how you can get your students active in the classroom.
- Ideas on how to achieve 150mins of classroom physical activity
- Links between physical activity and the new curriculum

Receive

- Resources and ideas on how to implement the workshop into your classroom.
- CCLHD updates and resources
- Lucky door prizes and attendance giveaways

As this is a practical workshop please wear appropriate footwear and clothing

Completing the Using It in PE workshop will contribute 1 hour and 30 mins of QTC Registered PD addressing 2.1.2, 3.3.2 and 6.2.2 from the Australian Professional Standards for Teachers towards maintaining Proficient Teacher Accreditation in NSW
