The Central Coast Healthy School Canteen Award 2025

The purpose of the Healthy School Canteen Award is to recognise and reward Central Coast schools for offering and promoting healthy food and drinks to their school community.

How does my school canteen achieve this award in 2025?

1. Demonstrate that your school canteen meets the NSW Healthy School Canteen Strategy by having a current Menu Check (due every 3 years).
2. Submit evidence of healthy food and drink promotions conducted by the canteen in 2025. Use the QR code above to register.

How do I know if my school canteen is due for a Menu Check?

- Your school will be emailed by the Healthy Food Information Service (HFIS) during the term your Menu Check is due. HFIS will provide details of how to submit a Menu Check.
- If your school hasn't passed a Menu Check within the past 3 years, contact HFIS for guidance on 1800 930 966 or email healthyfood@health.nsw.gov.au.
- If your school has a current Menu Check, awarded in 2023 or 2024, congratulations! You have achieved requirement #1.

All schools that achieve the Healthy School Canteen Award in 2025 will receive:

- A digital certificate that can be used to promote your school canteen via school communication channels.
- A red apple year sticker for the Big Green Apple Sign (primary schools).
- Entry into the **draw to win canteen equipment to the value of \$250**. This is drawn at the end of the school year.
