

# “Moving Together”

## Fundamental Skills for Inclusive Sport Lessons

Central Coast Health Promotion invites you to a **FREE** disability and inclusion workshop available to **ALL** Central Coast school staff

Are you a primary or secondary teacher or support staff passionate about creating inclusive learning environments?

### What to Expect

- Presentations from Special Olympics Australia and School Sport Unit - Disability and Inclusion
- Evidence-based approaches to inclusive PE
- Tools to adapt activities for neurodivergent learners and students living with a disability
- Opportunities to share experiences via a Q&A session
- Networking opportunities with local providers and inclusive sporting clubs

Lucky door prizes and resource bags
