

Veggie Month 2026

Registrations are
now open!

Join hundreds of services across
NSW to celebrate Veggie Month.

Veggie Month encourages
services to integrate vegetables
into daily programs. This
includes food learning
experiences like experiments,
songs, stories, art, discussions
or gardening.

The theme for 2026 is “Putting
Veg Under the Microscope”.
Services who register receive an
electronic resource pack
including an educator manual,
vegetable related science
experiments, a recipe eBook and
family and educator challenges.

Veggie Month runs from :
Monday 2nd - 27th March, 2026.
